

Drs. Mitchell and Prins have an amazing staff of hygienists and assistants that are dedicated to treating their patients with the highest quality care. Each team member is totally committed to every patient having a positive experience in the practice. A comfortable and friendly environment means our patients are relaxed, and over 75 years of combined dental experience means our patients are confident in the quality of care they receive.

Our compassion and expertise show in every smile!

About our Doctors

Dr. Bruce Mitchell is a native Oregonian, raised in Bend, Oregon. He attended Oregon State University and graduated with a Bachelors of Science degree in 1995. After OSU, Dr. Mitchell received his D.M.D. from Oregon Health Sciences University, School of Dentistry, where he graduated with honors in 2000. Dr. Mitchell began practicing dentistry in the Rogue Valley in 2000 and has since enjoyed a successful practice in general dentistry. In his spare time, Dr. Mitchell enjoys boating, camping, cycling, and coaching football. He has three beautiful children, Jackson, Anna, and Lucy.

Dr. Brian Prins was born and raised in Southern Oregon attending Cascade Christian High School then on to Pepperdine University in Malibu, California. Dr. Prins studied and received his D.M.D. from OHSU in 2010. He returned to Southern Oregon to continue the tradition of practicing great dentistry in his home town. Dr. Prins enjoys hiking, cycling, and traveling.

We are dedicated to you...

Drs. Mitchell and Prins are dedicated to every detail of practice that will provide patients with exceptional dental care.

Our top priority is to ensure every patient experiences a pleasant, effective, and worry free visit. Through this effort, we offer the most technologically advanced diagnostic equipment and treatment procedures for a higher level of patient care than ever before.

We use digital X-Rays that produces a better and faster image, all while keeping patients safe from unnecessary radiation. We strive to keep our patients comfortable and informed of all treatment options available, while helping our patients make educated treatment decisions.

Our highly skilled team is dedicated to participating in Continuing Education classes to advance their abilities and talents beyond State requirements. Our commitment is always to our patients.

Our front office staff has years of proven excellence in service to patients and customers. We provide assistance with appointments, billing, and patient care of the highest quality.

Our main goal is to assist you in taking great care of your teeth. However, for your convenience, we are pleased to offer a payment discount at the time of service. As a service to you, we will also file claims to your insurance company.

The portion of your treatment fee not covered by the insurance company is your responsibility.

We are happy to accept all major credit cards and offer Care Credit as a third party financing option. Easy and efficient ways to keep you secure at every visit.
